THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

Hi Jennie, Thanks. Per my vmail, do you know if Bill sent this to Cabot? Do you know what docs were sent to Cabot and when? I still need to check my emails to see if I was copied, but if you know, that would be great. Thanks again!

Mike - Per our conversation tonight, here is the list of 8 initial residents where we are likely to do additional sampling (there could be additional locations in the future). We are also determining if there is a need to have alternate water supplied during the sampling activities. However, there are some additional reviews we need to do before a final decision is made. EPA will ultimately need to make the decision on the appropriate path forward, but I want to make sure you are in the loop, and interested in your thoughts. Please let me know if you have any questions.

Thank you - Shawn
